## **ACKNOWLEDGEMENT**

This thesis on “**A Comparative Study on Dividend Policy of Himalayan Bank Limited and Nepal Investment Bank Limited**” has been prepared as per the partial fulfillment of the requirement of Master in Business Studies. The study has focused on analyzing dividend practice of the two commercial banks.

Many individuals have made invaluable contribution to accomplish this venture. I am very thankful to the thesis supervisor Asso. Prof. Ruchila Pandey and Kamal Prakash Adhikari of Shanker Dev Campus for guiding me in this thesis paper. Similarly, I am also thankful to the staff members of HBL and NLBL, share department, who has provided me the financial report and data that is essential for the completion of this thesis and to all the entire staff members of the two banks where, I got chance to learn banking function and operation. This study has drawn useful matters from the study of various researchers.

I like to express debt of gratitude to my family members especially to my father for his continuous inspiration and support during the period of this study. I am very much indebted to them whose words and ideas have been very valuable for my study.

Lastly, I am very much thankful to all my friends who have helped me with their suggestions and guidelines for the completion of this study also to all the people who have helped me directly or indirectly in the accomplishment of this research deserve heartfelt gratitude.
