The main purpose of this thesis is the partial fulfillment for the degree of Masters of Business Studies. Basically this thesis shows the “Financial Performance and Share Price Movement of Commercial Bank in Nepal”. During this thesis, I gained lot of guidelines and suggestion from my teachers, friends and others company’s official.

I would like to express my warm appreciation to my respected teacher Mr. Kishor Maharjan of Shanker Dev Campus for his continuous inspiration and encouragement in bringing out this dissertation despite of his busy time. He has been highly helpful in providing all sorts of guidelines, critical and analytical support in order to complete this thesis. So, I am extremely indebted to him.

From the core of my heart, I would like to thank all my friends, especially Mr. Shyam Raj Joshi for providing me special support whenever I needed while undergoing this study. Without his encouragement and support, this study would not have been completed. Similarly, I am also grateful to my friends, Laxmi Maharjan, Bhagbati Tamang, Prabin Pandak and other relatives who gave me guideline during my study.

Lastly, I would like to express my sincere gratitude to the faculty member of Shanker Dev Campus, staffs of Nepal Stock Exchange as well as staffs of Security Board of Nepal who provides me various guideline and information in preparing this research work.
