ACKNOWLEDGEMENT

This study mainly aims at study of investment policy of commercial banks of Nepal, Different financial and statistical tools are used to measure the strength of the concerning bank. The growth rate of bank in terms of deposit, loan and advances investment and profitability of the banks have also been analyzed.

I owe a deep gratitude to my supervisor Dr. Ramji Gautam (Head of Department)Central Department of Management, Tribhuwan University, Kathmandu for his constant encouragement, patient guidance and valuable supervision at every stage of my work. This work would not have been materialized in the present from without his incisive observations and intellectual direction in the course of completion.

Thanks are also due to a large number of staffs from different offices, who co-operated with this work by providing available data and information. Special mention should be made of NEPSE, SEBON and Tribhuvan University Central Library, Kritipur, Kathmandu. I wish to express the sincerest thanks to all my friends and well-wishers who provided valuable co-operation in my efforts.

I would like to express debt of gratitude to my parents for their continuous support in my efforts.

Bijaya Raj Pokhrel
