ACKNOWLEDGEMENT

This thesis is prepared in partial fulfillment for the degree of Masters of Business Studies (MBS) examination of Tribhuvan University, Kathmandu. It is an interesting exercise for the student to write and complete it. I have prepared this thesis entitled “**A Study on Investment policy of NABIL Bank Limited**” with the help and co-operation of my respectable campus teacher & dear friends and other concerned persons. I would like to thank all of them for their kind help and co-operation to complete this thesis report.

While preparing this thesis report, I had to face many constraints and barriers. I came to know that thesis report writing, not only is difficult and brain storming job, but also is really challenging and interesting one. I experienced many new things in my life and I found my horizon of thinking and knowledge also has become wide. I felt drastic change and enhancement in my opinion and thinking.

I would like to thank my Campus (Patan Multiple Campus), Campus Chief Mr. Krishna Badan Nakarmi and all other faculty member. Similarly I kindly thank all those known and unknown people who did help directly and indirectly to prepare this fieldwork report. At first, I am very grateful to my respectable teachers Mr. Shiva Prasad Pokharel for their proper guidance and help, who provides great advice to me. I also like to thanks to my friends and the library section of the campus for doing co-operation.

At last I like to thank to all my friends for their advice and suggestion.
