## **ACKNOWLEDGEMENT**

This research has been done and prepared for the partial fulfillment of the requirement for the degree of Master of Business Studies (MBS). This success is possible because of the contributions of many individuals and I want to deliver my happiness with thanks to them.

This was hard as to crack the nut with teeth. But because of guidance, support, encouragement, in formations and suggestions from them as well as from the related institutions, this research got success.

At first, I show my acknowledgement to my respective teacher Mr. Ram Prakash Upadhyay (lecturer of Management Post Graduate Campus, Biratnagar), under whose supervision, guidance and suggestions I completed my research. After that, to respected Dr. Madhav Bahadur Shrestha, (Chairman of the Research Department) and also to the Campus Chief Mr. Harihar Bhandari.

Secondly, I am very obliged to Mr. Gopal Pd. Ghimire and all the staff members of library (P.G. Campus, Biratnagar). And also to express my thanks to my seniors, Sudhir Dahal and Raju Rai.

After this, my great thank goes to the Ganesh Rai For the printing and other related technical works.

Finally, my heartly and special thanks go to my family members for providing me a sound and peaceful environment with inspiration, which helped me to complete this research work successfully.
