## 1 ACKNOWLEDGEMENT

I would like to express my deep sense of indebtedness and profound gratitude to my supervisor and teacher Mr. Shankar Thapa, Head of the Department of Business Studies at St. Xavier's Campus, for his sincere efforts, helpful suggestions, continuous guidance and valuable criticism throughout my dissertation work. It was his scholarly guidance and instruction that made this project a reality.

I would like to forward my thanks to Fr. Dr. Antonysamy SJ, Principal of St. Xavier's Campus for his effort and support this dissertation in time. Above all I would like to thank the faculty members of Business Department for their continual efforts in the support of this study.

I am grateful to the help and co-operation extended by supportive staffs of different authorities and officials of libraries during the collection of data. Central Library Tribhuvan University, FNCCI Library, St. Xavier's Campus Library, Nepal Rastra Bank Library and Security Exchange Board of Nepal (SEBON) Library have been great sources of materials for my study.

Finally I would like to thank my family members and friends (Jyoti Koirala, Rachana Lamichhane, Prakash Ghimire) for their regular support and continual interest in this study. Last but not the least, a special note of thanks to those who provided their suggestions directly or indirectly for the completion of this dissertation on time.

Thanking you all,  
Bijaya Sharma
