Acknowledgements

It has been a matter of great pleasure for me to complete this thesis under the supervision of Mr. Rajeshwar Prasad Acharya for his kind guidance, supervision and inspection during the preparation of this thesis has made me realize that he has my mentor for the whole life for any type of studies.

It is fortunate to have Dr. Deepak Shakya, Mr. K.K. Sah, Mr. Ganesh Niraula, and Mr. Deepak Singh all respected lecturers whose efforts of starting M.B.S. program and running successfully for the first time at Birgunj is immortal.

I express my heart felt gratitude to my parents and family members, who always helped and encouraged me to complete this journey of higher education, without their generosity, strong will, painstaking effort, affection and bless, my aspiration for higher education could not have been fulfilled.

At the last, I should not forget the inspiration, encouragement and suggestion from my companions like Mr. Prakash Chaudhary and Mr. Subhash Patel (My Elder Brother) & I also don't forget my nephew Mr. Pintu Patel who helps in thesis typing.
