ACKNOWLEDGEMENT

This study is undertaken as the dissertation work for partial fulfilment of Master Degree in Business Studies (MBS), faculty of Management, Makwanpur Multiple Campus, Hetauda. I have selected the topic of “A Comparative Study on Financial Performance of Nabil Bank and Nepal SBI Bank” because of considerable and significant role of JVBs in the overall economic development of the country. Though I found the area of my study a little tough, I have tried my best to draw some conclusion out of it. Specially this study concentrated in two joint venture banks.

It is with great pleasure that I would like to extend my respected supervisor Uddhab Prasad sapkota, MBS program coordinator, Makwanpur Multiple Campus, Hetauda, for his incredible support and suggestion throughout my entire research work and I shall never remain indebted to him. I would like to thanks to te library staff of Makawanpur Multiple Campus and to the family of Nabil Bank and Nepal SBI Bank who had provided me necessary information at the time of writing this thesis.

Likewise, many thanks go to Mr. Bhim Sagar Guragain for helping to write this thesis. I would like to thank Mr. Manoj Regmi of *Service Mind*, for all computer setting.
