## **ACKNOWLEDGEMENTS**

I'm grateful to my thesis supervisor Dr. Keshab Kumar Shretha for his support and guidance in relation to the preparation of this dissertation.

I would like to express my gratitude to Dr. Om Gurung, professor and Head of the Department of Sociology/Anthropology for his constant support to my research work.

Likewise, I express my words of gratitude to people of the study area for cooperation and providing relevant information without them my dissertation would be incomplete.

My appreciative thanks go to my sister Binam Bhandari for her continuous help and support from the very beginning till the end of this work.

Likewise, I would like to thank my sister Binita for editing the language of the dissertation and computer help. And I am also grateful towards my family members for providing me with sound atmosphere to complete my work.

Sushila Baral
