Acknowledgment

This dissertation has been prepared for the partial fulfillment of Master's Degree of Arts in Sociology. This thesis writing has contributed on enhancing my knowledge and skill on research designing, field survey, analysis of research findings and report writing. In this regards, I would like to thank central department of Sociology and Anthropology, Tribhuvan Universtity, Kirtipur, Kathmandu for providing me such a golden opportunity.

It is my great pleasure to express my sincere gratitude to my respected supervisor Dr. Binod Pokhrel of central Department of Sociology & Anthropology at Tribhuvan University, Kirtipur, Kathmandu Nepal for his regular supervision, guidance, valuable suggestions, support, encouragement and constructive feedback throughout this study despite his busy schedule.

Similarly, I am grateful to the Head of the Central Department of Sociology & Anthropology for providing me an opportunity to conduct the study in the subject of my interest.

Likewise, I would like to extend my sincere gratitude to the thesis evaluation committee for evaluating my thesis and providing innumerable suggestions. I take this opportunity to thank my colleagues/friends and family members for their valuable support.

At last but not least, I would like to express my heartfelt gratitude to the elders of Arje VDC, participated in the study, VDC technician and other relevant stakeholders, without whom this thesis would not be possible.
