## **ACKNOWLEDGEMENT**

First of all I would like to thank Assoc. Prof. Kishor Maharjan, for being a source of inspiration and for supervising my thesis. He is one of the key people who awoke my interest in securities market study and instrumental in encouraging me to embark on this study. Moreover, I would like to thank Prof. Bishweshor Man Shrestha, Head of Research Department, Shanker Dev Campus, for his valuable suggestions while preparing this thesis.

I am grateful to the personnel of NEPSE for providing necessary data. I would also like to thank the respondents who have answered my questionnaire. Moreover, I sincerely acknowledge all the personnel of library of Shanker Dev Campus, Central Library of Tribhuvan for providing me the books and journals that have served as the reference for the study.

Finally, I would like to express my gratitude to my family members, my friends and my colleagues who have continually encouraged and supported me to prepare this thesis.
