ACKNOWLEDGEMENT

This research study on **INVESTORS PREFERENCE IN PRIMARY MARKET** has prepared as a partial fulfillment of Master's Degree in Business Studies (MBS) program.

I would like to express my sincere thanks and gratitude to my respected teacher, thesis supervisor **Mrs. Snehalata Kafle** for his encouragement, proper guidance, direction and valuable supervision at every stage of my research work.

I also owe thanks to all reputed authors whose books, thesis and articles provide me the necessary guidance and valuable materials for enrichment of my research paper in this manner. I would like to express my genuine appreciation to all the professors, readers and staff members of Global College of Management, whose suggestions and cooperations made me able to complete this thesis.

I would like to express my heartfelt thanks to my spouse, my family members and other friends who have supported me providing consistent help and encouragement.

Finally, I would like to thank all those who helped me directly and indirectly to bring this study at this stage of completion.

Moreover, it is needless to say that to error is human and I am also no exception, so I apologize for any errors and mistakes committed in this thesis work.
