Master's Degree of Business Studies (M.B.S)

Dhangadi, Kailali
November 2010

ACKNOWLEDGEMENT

I extend my heartfelt gratitude to thesis supervisor Dr. Padam Raj Joshi and campus chief Mr. Surendra Chand for their valuable and praiseworthy guidance, suggestions, timely supervision and kind treatment as well as co-operation without which it could have been difficult for me to complete this thesis.

It is a commendable task of Tribhuvan University to introduce the research work for the fulfillment of the requirements for the degree of Master of Business Studies (MBS) as a mandatory requirement. It helps to equip students with modern research techniques and practical experience in real social settings. The knowledge gain through self-investigation and analysis is ever lasting. For this opportunity, I would like to express thanks to the Curriculum Development and Research Centre of Tribhuvan University, Kirtipur.

I am thankful to the staff of BOK for their continuous help to provide information and data. I am also grateful to my family and friends who have offered comments, criticism, continued guidance and support to complete this task.

I would like to thank all the library and administrative staff of Kailali multiple campus for their continuous support to complete this work.

Finally, I would like to thank Mr. Harish Joshi for his best contribution in computer processing.
