## **Acknowledgement**

The present study would not have been completed without the scholarly supervision and encouragement of my respected teacher Dr. Saroj Koirala. He provided scholarly guidance by going through the script and editing it meticulously. His invaluable supervision, suggestion and constructive comments encouraged and supported me to complete my research work. The expression of even the sincerest gratitude would not be sufficient enough to thank him.

Likewise. I would like to extend my profound gratitude to my respected teacher, Dr Man Bahadur K.C., the head of the English Department, of Pokhara, for granting me an opportunity to carry out this research on the subject of my interest. My heartfelt thanks go also to my parents, and my sister Hima and Shanti Pariyar, and my brother Surya Raj Pariyar for their co-operation and encouragement.
