ACKNOWLEDGEMENT

I would like to express my sincere gratitude to Mr. Babu Ram Karki for his in valuable suggestions, guidance and genuine co-operation. It would not have been possible for me to complete my study without his supervision, advice and direction.

I would like to extent my personal appreciation to. Dr. Ram Prasad Gyawali, head of the Department and other teachers of Central Department of Economics for providing invaluable suggestions. I would also like to appreciate to different organization, institution and individuals who helped me in this matter.

Finally yet importantly sense of respect goes to friends and relatives who inspired me to study economics and provide their co-operation. I fully appreciate my friends Achyut Wagle and Jaya Prakash Bhattarai for their kind help and inspiration.

Finally, I have to say to alone bear the full responsibility for any errors and discrepancies that might have occurred in this research work.

Nardev Neupane
