ACKNOWLEDGEMENT

This study on "Income and Employment situation in Poultry Farming at Bharatpur Municipality of Chitwan district has been prepared according to the master degree thesis in Economics submitted to Tribhuvan University. Although, it is a micro level study of the firm present situations. It may help to develop the poultry industry in respective areas successfully.

The completion of the present study is a result of help and support of several hands. Therefore, I would like to express my heartfelt gratitude to all those respondents for their support and help.

I would express my sincere gratitude to Associate Prof. Bharat Pokharel, Department of Economics, for the valuable supervision, advice throughout the study, Associate Prof. Dr. Ram Prasad Gyawali, head of Economics Department, Tribhuvan University, Kirtipur, and Mr. Khagendra Katuwal, lecturer, Tribhuvan University. This research would not have been possible without their help.

My special thanks goes to Mr. Chandra Man Shrestha, Chairman of Forum of Nepal Poultry Farmers, Chitwan, Yam Prasad Gaire, Ramesh Gaire and other farmers of Bharatpur Municipality for their kind help in conducting survey work. My equal thanks goes to my friends Bikram, Kishan, Usha and other who directly and indirectly helped me during my research.

I am also grateful to Mr. Krishna Raj Pandey, Typezone for computer works.

Punam Pandey
