Researche

ACKNOWLEDGEMENT

This entitled thesis "BROKERING SERVICE IN NEPALESE STOCK MARKET" has been prepared for the partial fulfillment of the requirement of Master's Degree of Business Studies (M.B.S) under the Faculty of Management, Tribhuvan University, is based on research models involving the use of quantitative as well as qualitative aspect.

I extend my deep sense of indebtedness to my respected supervisor Rishi Raj Gautam teacher of Shanker Dev Campus for their precious guidelines, inspiration and suggestion thoroughly during the period of this research. Without their valuable insight, I would not think of accomplishment of this thesis paper. I acknowledge my profound gratitude to Sample Banks for the cooperation shown and providing necessary data.

I want to give thanks for the staff members of T.U. Central Library, Shanker Dev Campus Library, Investors and Brokers who provided the reference and reading materials during the period of research.

Finally, I would like to express my sincere gratitude to all my family members for their assistance, timely encouragement in every steps and financial support. In addition, the special thanks to Mr Ram Limbu and all my family members who provided me crucial support, is also part of my sincere thanks.
