## ACKNOWLEDGEMENTS

This thesis entitled **The Impact of Baruwa Khola Irrigation Project on Paddy Production: Nepal** is prepared as a partial fulfillment of the requirements for the Master's Degree of Arts in Economics.

The thesis reflects the efforts of a great many people over a number of days. First I would like to express my profound gratitude to my supervisor Prof. Dr. Pitambar Chhetri Professor of Economics at Central Department of Economics, T.U. Kathmandu for his guidance, constant encouragement and constructive advice to accomplish this form, without which the thesis would have been impossible. I am equally grateful to the Head of the Central Department of Economics. Dr. Ram Prasad Gyanwaly for his suggestions and timely support to complete this work.

I also offer my sincere thanks to the lecturers of the Department. I am very much thankful to Baruwa Khola Irrigation Project (BKIP) for their kindly help during data collection in the field.

I would like to thank my nephew Mr. Rajanikant Jasraj and friends Mr. Chhote Babu Jasraj and Mr. Past Lal Chaudhary for their generous support in preparing the thesis. Thanks are due to, Shree Ram Tharu, Sabin Chandra Tiwari for their outstanding company during my two years stay in the campus.

I would like to express sincere gratitude towards my father Mr. Ganesh Prasad Chaudhary and to the whole family members for their valuable encouragement and provision of suitable environment.

Last but not least, I warmly appreciate the community people of Laxmipur Tole, Portaha Tole and Asshari Tole of Triyuga Municipality-4 for extending co-operation to me. My sincere thanks also go to Mr. Tank Bahadur Guragain principal of Shree Laxmipur Higher Secondary School Portaha and the members of Irrigation User Committee, key informants for providing their valuable support during the course of field work and especially Chairman of Irrigation Users Committee Mr. Samundri Prasad Chaudhary for providing useful documents about the project and other helps that I needed during the research work.

**Ramesh Kumar Chaudhary**
