ACKNOWLEDGEMENT

I would like to thank my respected teacher Mr. Babu Ram Karki for his support, guidance for this study. He has helped, supported and educated me in innumerable ways. Completion of this work has only been possible due to his constant encouragement, generosity and compassion. Similarly, I express my deep sense of respect to Associated Prof. Dr. Ram Prasad Gyanwaly Head of the Central Department of Economics for his inspiring suggestion in the completion of this study. I am also thankful to my respected teacher, Mr. Sanjay Singh, Mr. Khagendra Kattuwal and Mr. Resham Thapa who provided me ideas and materials for this project. Likewise, I am also grateful towards all the teachers of the Central Department of Economics who directly or indirectly helped me in the course of my Study.

I felt great pleasure to acknowledge Central Library, all the Members of Ganga Devi Chaudhary Udyog Gram and Mr. Mani Dahal for providing me thesis material as well as logistic and moral support to carry out this study.

Especially my thanks goes to my friends Binda Ghimie, Sangita Adhikari, Sadhana Neupane and Ujjwal Adhikari for their extensive support and constant encouragement with valuable suggestion and technical support during the course of this Study. With all my heart, I want to thank my husband, Ghanashyam Kharal Sharma for his endless love, care, support and encouragement in this journey.

Lastly, an appreciation of the limitless patience and sacrifices my parents, Ruknmani Dhungana and Gopal Prasad Dhungana, my brother, Deepak, Dinesh have endured while I have been on this long journey. To all those mentioned above, since nicer, eloquent words cannot do justice anyways, all I'll say is THANK YOU!
