ACKNOWLEDGEMENTS

First of all, I would like to render my whole- hearted gratitude to all of those who have kindly given their valuable time and energy for the study. I acknowledge my heartfelt thanks to the Central Department of Rural Economics for providing me an opportunity to carry out this study in this stage.

I am profoundly indebted to my supervisor Lecturer **Rashmi Rajkarniar** for his inexhaustible support, valuable suggestion; encouragement and supervision in all stages of the study from the field work to the final compilation of the work. Moreover, I fill deep gratitude to all my respected teachers for their co-operation and inspiration that remained invaluable in the completion of the work.

My few words of appreciation should also go to the people of study area. Their willingness to share their experiences as well as to provide information required for the study was remarkable.

Likewise my gratitude goes to my parents who created conducive environment in pursuit of my academic carrier, bestowing their love, sympathy and encouragement and not least financial support without which I could not complete my academic pursuit.

Finally, I would like to thank all who have directly and indirectly assisted me to make the endeavor a success.
