It is my privilege of getting helps and co-operation from different persons. It is not possible to enumerate the names of all of them. First and foremost, I would like to offer special thanks to my friends for their proper suggestions. I would like to thank all the staff of the concerned banks for their full support in providing all the necessary data, which helped me in preparing this thesis report. I could not remain without thanking to my teachers and lecturers who all helped me during my study of MBS and during preparation of this thesis report.

I am thankful to the librarians of Central Library, TU Kritipur and Library of Shanker Dev for providing me with related books and thesis and the entire teacher involved there who made me capable of writing this thesis. I am alone responsible for whatever weaknesses it may still contain.
