ACKNOWLEDGEMENT

It would take pages to acknowledgement everyone who, in one way or another has provided me with assistance but certain individuals deserve citation for their individual help. I would like to take this opportunity to acknowledge all of them.

I express my profound gratitude to my respected supervisor Dr. Shyam Katuwal for his valuable guidance and inspection with generous treatment and perceptive comments and kind support during the preparation of this dissertation. I desire to record my deep appreciation to Prof. Dr. Madhav Bahadur Shrestha, head of the research department, Post Graduate Campus (TU), Biratnagar, granting me an opportunity to carry out this research. My thanks goes to Campus Chief Mr. Harihar Bhandari and entire campus administration staff and library staff to their unforgettable contribution. I am also thankful to all my colleagues.

Needless to say, I retain responsibility for any remaining errors and defect of analysis of lack of clarity in this report.
