

**AN APPLICATION OF COST REDUCTION TOOLS**  
**(A SURVEY STUDY IN NEPALESE MANUFACTURING ORGANIZATIONS)**

**Submitted by:**

**Khagendra Sharma**

**T.U. Regd. No.:7-1-48-1257-2001**

**Roll No.: 317/064-066**

**Central Department of Management**

**Second Year Exam Roll No.: 280130**

**In partial fulfillment of the requirements for the degree of Master of Business Studies**  
**(M.B.S.)**

**Submitted to:**

**Office of the Dean**

**Faculty of Management**

**TRUBHUWAN UNIVERSITY**

**Kirtipur, Kathmandu**

**Nepal**

**October, 2011**

## **RECOMMENDATION**

This is to certify that the thesis:

Submitted by:

**KHAGENDRA SHARMA**

**Entitled:**

**AN APPLICATION OF COST REDUCTION TOOLS**

**(A SURVEY STUDY IN NEPALESE MANUFACTURING ORGANIZATIONS)**

has been prepared as approved by this department in the prescribed format of the faculty of Management. This thesis is forwarded for examination.

Prof. Dr. Dev Raj Adhikari

(Head of Department)

Date:.....

# VIVA-VOCE SHEET

We have conducted the viva voice examination of the thesis

Submitted by:

**KHAGENDRA SHARMA**

Entitled:

## **AN APPLICATION OF COST REUDCITON TOOLS**

**(A SURVEY STUDY IN NEPALESE MANUFACTURING ORGANIZATIONS)**

and found the thesis to be the original work of the student and written according to the prescribed format. We recommend the thesis to be accepted as partial fulfillment of the requirement for Master's Degree in Business Studies (M.B.S)

## DECLARATION

I hereby declare that the present study entitled “**An Application of Cost Reduction Tools in Nepalese Manufacturing Organizations**” submitted to Office of the Dean, Tribhuwan University, is based on my original research work. The results presented in the study have not been submitted elsewhere for the award of any degree.

Date: November, 2011

Roll No.: 317/064-066

Central Department of Management

## ACKNOWLEDGEMENTS

I am indebted to many people, who helped me to complete this thesis. I would like to acknowledge their support. First of all, I would like to express my gratitude to Mr. Achyut Gyanwali, lecturer of Central Department of Management, T.U., Kirtipur for his continuous scholarly guidance and support. Without him, this dissertation would not have been enjoyed to the present form.

I acknowledge Prof. Dr. Dev Raj Adhikari, Department Head, Central Department of Management and Prof. Dr. Bal Krishna Shrestha, Head of Research Committee, Central Department of Management for their kind support while writing this thesis.

In the process of data collection for this research, many people contributed to the task and I am grateful for their contribution. Similarly, I would like to thank all the staff of Central Department of Management and central library for their cooperation and support.

Similarly, I would like to express my hearty thanks towards all of my and relatives who spent their valuable time and resources and made great sacrifice for my higher education.

## TABLE OF CONTENETS

	Page No
Recommendation	i
Viva-Voce sheet	ii
Declaration	iii
Acknowledgements	iv
Table of contents	v-vii
List of table	viii-ix
List of figure	x
Acronyms	xi
<b>CHAPTER-I: INTRODUCTION</b>	<b>1-7</b>
1.1 Background of the study	1
1.2 Statement of the problem	4
1.3 Objectives of the study	5
1.4 Limitations of study	6
1.5 Organization of the study	6
<b>CHAPTER-II: REVIEW OF LITERATURE</b>	<b>8-57</b>
2.1 Conceptual review	8
2.1.1 Concept of cost	8
2.1.2 Classification of cost	8
2.1.3 Cost reduction	15
2.1.4 Cost control	15
2.1.5 Cost management	16
2.1.6 Cost reduction tools	17
2.1.6.1 Design for manufacturability and concurrent engineering	17
2.1.6.2 On demand lean production	19
2.1.6.3 Build to order	25
2.1.6.4 Mass customization, the proactive management of variety Part standardization	31
2.1.6.5 Part of Standardization	35

2.1.6.6 Product line Rationalization	38
2.1.6.7 Supply chain management cost reduction	40
2.1.6.8 Cost of quality	45
2.1.6.9 KAIZEN system (Continuous Improvement)	47
2.1.6.10 Reengineering	50
2.1.6.11 Just in time (JIT)	52
2.2 Review of previous related studies	57
2.3 Research gap	57
<b>CHAPTER-III: RESEARCH METHODOLOGY</b>	<b>58-59</b>
3.1 Introduction	58
3.2 Research design	58
3.3 Nature and Source of data	58
3.4 Population and sample	58
3.5 Data collection procedure	59
3.6 Data analysis procedure	59
3.7 Testing hypothesis	59
3.8 Research variables	59
<b>CHAPTER-IV: DATA PRESENTATION AND ANALYSIS</b>	<b>61-96</b>
4.1 Introduction	61
4.2 Analysis of primary data	61
4.2.1 Cost reduction practice in Nepal	62
4.2.1.1 Profit and wealth maximization practice	62
4.2.1.2 Managing lower price of products	63
4.2.1.3 Areas selected for cost reduction	64
4.2.1.4 Application of cost reduction tools	66
4.2.1.4.1 Application of design for manufacturability and concurrent engineering	66
4.2.1.4.2 Application of on demand lean production	68
4.2.1.4.3 Application of Build To Order	70
4.2.1.4.4 Application of mass customization, the proactive management of variety	72
4.2.1.4.5 Application of part standardization	74
4.2.1.4.6 Application of product line rationalization	76
4.2.1.4.7 Application of supply chain management as the cost reduction tool	78

4.2.1.4.8 Application of total quality management as the technique of cost reduction	80
4.2.1.4.9 Application of KAIZEN (Continuous Improvement) system as the technique of cost reduction	81
4.2.1.4.10 Application of Just In Time production system as the cost reduction tool	83
4.2.1.4.11 Application of Reengineering as the cost reduction technique	85
4.2.1.4.12 Management views regarding necessity for applying cost reduction tools in organizations	87
4.3 Testing of hypothesis	88
4.4 Percentage of applying and not applying cost reduction tools, A tools wise observation	91
4.5 Percentage of applying and not applying cost reduction tools, An overall observation	92
4.6 Major findings	93
<b>CHAPTER-V: SUMMARY CONCLUSION AND RECOMMENDATIONS</b>	<b>97-100</b>
5.1 Summary	97
5.2 Conclusion	98
5.3 Recommendations	99
<b>BIBLIOGRAPHY</b>	
<b>APPENDIX</b>
