ACKNOWLEDGEMENT

As per the course prescribed by the faculty of management, I have completed the thesis entitled **“A Study on Investment Policies of Financial Companies of Nepal.”** It provided me an immense deal of satisfaction to complete this work. I could not complete this research work alone. A large number of individuals have contributed directly and indirectly to complete the work. I am heartily thankful to all of them for their help, kind cooperation and encouragement in completing the work. My work has also been influenced by a number of standard and popular text books in the related field. As far as possible they have been fully acknowledged at the appropriate place. I express my gratitude to all of them who helped me in completing this work. I express my gratitude to prof. Dr. Yadav Raj Koirala of Post Graduate Campus, Biratnagar, for his valuable guidance and supervision to complete this thesis; it would have been incomplete without his kind help, cooperation and proper guidance. I would also like to express hearty gratitude and thanks prof. Dr. Madhav Bahadur Shrestha, Head of Department, Faculty of Management Post-Graduate Campus, Biratnagar for providing me enormous encouragement and guidance while preparing this thesis. I am thankful to Mr. Gopal Ghimire of Post Graduate Campus and all the staffs of Library for their individual support for completing the work. And finally I would like to pay my gratitude to my family for their continual encouragement and support while writing this thesis.
