ACKNOWLEDGEMENTS

At the outset, I would like to express heartily gratitude and thanks to my supervisor Prof. Dr. Rudra Prasad Gautam, for his valuable guidance, constructive comments, suggestions and encouragement for the completion of thesis successfully. Without his encouragement and co-operation, this research work would not have been accomplished.

It will not be out of place to acknowledge the assistance and guidance rendered by Dr. Ram Prasad Gyawaly, Head of CEDCON, T.U. I would like to express my heartily thanks to the respected teachers and staffs of Economics Departments for their co-operation, help and suggestions.

I am very much obliged to my colleagues B.S. Rokka Magar, Pradeep Gautam neighbor sister Pramila Rijal for their assistance, valuable suggestions and substantial time extended to me. My thanks goes to Jubhung VDC's resident for their co-operation and sharing their experience and knowledge with me during my field study. They not only provided me with valuable suggestions but they also kindly given me an opportunity to discuss with them for hours in spite of their busy schedule.

I am deeply also indebted to my family members particularly my parents and my beloved Ambika Pathak for their love, understanding, moral support and above all their concern to my academic achievement.

Tika Ram Bhandari
