ACKNOWLEDGEMENTS

This thesis is a partial requirement for the MBS. It would not be possible to complete this without the cooperation of different well wishers.

First of all, I would like to express my sincere thanks and gratitude to my thesis supervisor Mr. Shreebas Adhikari and other staff of Management Faculty. I would like to pay my sincere thanks to Mr. Laxman Pokhrel, Department Chief of Management, Mahendra Multiple Campus, Nepalgunj, Mr. Chakra Bahadur Bom, Head of Research Department (MBS), Lecturer of Mahendra Multiple Campus, Nepalgunj. I could not remain without thanking to my teachers and lectures, especially to all the people who helped me during my study of MBS and during preparation of this thesis report.

In preparing this thesis the information and data has been obtained through the courtesy of Insurance Companies, Stock Exchange and Security Board. I am indebted to the respective staffs and Librarian for furnishing such useful data without which the completion of the thesis would not have been possible.

It is also an occasion to express my heartily thanks to my all family members and friends for their regular inspiration and contribution for my success.

I express my deep thanks to Mr. Sabin Luitel of New Lumbini Pustak Pasal, Nepalgunj who helped to provide computer typing properly and timely.

I will be responsible for any types of limitations and short coming.
