## ACKNOWLEDGEMENT

To do each and every study work, there have to be most important helps of some co-operative hands. In the same process many peoples and institutions have helped and encouraged me in various ways in completing this study, though I may not be able to mention the name of all of them. Here, I wish to express my special gratitude to the following individuals.

First of all, I wish to express my deep sense of gratitude to my supervisor Dr. Kushum Shakya, Associate Professor at Central Department of Economics, Tribhuvan University Kirtipur Kathmandu, for excellent guidance, encouragement, constructive suggestion and full co-operation.

Next, I would like to express my respect and sincere thanks to Dr. Ram Prasad Gyanwaly, Associate Professor, Head of the Central Department of Economics for providing administrative facilities and supports. I would also express my gratefulness to all the respected teachers and staff of the Central Department of Economics which have supported me from own different ways.

Thanks to all respondents of Pahari caste people of Kolati VDC of Kavreplanchok district, data office Kavreplanchok, Aadibashi Janajati Mahasaung Sanepa, Aadibashi Janajati Utthan Rastya Prasthan Jawalikhel and Pahari Development association for providing valuable data and information that build the base of this study.

I am very sincere to my father, mother and other family members who have supported me by financially and mentally. Similarly I would also express special thanks to Mr. Tirtha Gautam (Principle of Janata Secondary School, Kolati), Mr. Bal Bahadur Chaudary (Health Post Incharge) for supporting to collect data in case study.

Similarly, I would also like to thanks typing and publishing supporter, Mr. Krishna Prasad Dhakal and book designer Raju Tamang. At last but least, I would like to thank who have directly or indirectly helped me to make the study success.
