ACKNOWLEDGEMENTS

For partial fulfillment of the requirement for the Master's Degree in Business Studies (MBS) under the Faculty of Management Tribhuvan University, I have prepared this thesis entitled "ROLE OF WESTERN TERAI LANDSCAPE COMPLEX PROJECT IN MICRO ENTERPRISE DEVELOPMENT". I have tried to find out effectiveness of WTLCP project effort in micro enterprise development. The research has been out carried out covering the views and experience of beneficiaries on WTLCP livelihood intervention in Bardia, Kailali and Kanchanpur. During preparation of research work, I have been able to receive tremendous support from lots of my well wishers to whom I always be thankful.

First of all, I regard as it is my dispensation and providence to get an opportunity to work under the admirable supervision of Mr. Prakash Lamichhane, lecturer of Mahendra Multiple Campus Nepalgunj. He always motivated me and I had his inclusive consideration and guidance at all time. I moreover thank and to express my deep admiration to research head lecturer Mr. Chakra Bahadur Bam and management faculty chief lecturer Mr. Laxman Pokharel of Mahendra Multiple Campus Nepalgunj, whose valuable suggestions helped me to complete this research. I also like to express gratefulness to all of my respected teachers.

I convey my gratitude to the staff member of Mahendra Multiple Campus Nepalgunj as well for providing invaluable support and cooperation while preparing this thesis. I should furnish my trustworthiness to my friends Mr. Rakesh Kumar Jha and entire community motivators of WTLCP for supporting me during report writing and collecting data from field.

I would like to express my genuine appreciation to the staffs of Western Terai Landscape Complex Project (WTLCP) Dhangadi Kailali for providing crucial resources and encouragement.

Last but not the least, my paramount dedication is to my family members who have been uninterrupted source of sustain for me during the tribulation of this work.
