ACKNOWLEDGEMENTS

It is my great opportunity to complete this thesis under the supervision of Mr. Khagendra Katuwal, lecturer, Central Department of Economics, Tribhuvan University, Kirtipur. I am indebted of his continuous guidance, generous encouragement, helpful suggestions and valuable comments for shaping my thesis to the complete form.

I would like to express my hearty thanks to the staffs of Banepa Municipality, Ministry of Local development who have joined the helpful hand for providing the information.

I am very much thankful to my brother Nijal Nepal for his continuous support and encouragement.

My thanks go to Kamala Rana and Bimal Katawal for their help for this research.

At last but not least, I would like to remember my parents for their consistent encouragement and economic support to complete this research.

Dilar Nepal
