ACKNOWLEDGEMENT

For this, first and foremost, I would like to express my gratitude to Lec. Jailab Kumar Rai for his outstanding guidance and time to time encouragement to carry out this work successfully. Without his inspiration and intellectual stimulation, this work would never have been completed.

Secondly, I would like to highly appreciate and thank Prof. Dr. Om Gurung Head of Central Department of sociology/Anthropology, for kindly providing me with an opportunity and encouragement to conduct this study. I would also like to extend my sincere thanks to all respected teachers and staff at the Department.

My sincere gratitude also goes to the staff of TU Central Library that helped me to find relevant books and materials. I am thankful to all my respondent who provided me valuable information.

I would further like to express my gratitude to all my friends who have never been tired of helping me. The encouragement supplied to me by them was valuable.

Finally, I would like to thank my parents for their constant support, encouragement and co-operation during my study.
