ACKNOWLEDGEMENTS

The present study entitled **RELATIONSHIP BETWEEN DALIT AND NON-DALIT IN CIVIL SERVICE OF NEPAL** has designed to fulfill the partial requirements of Master's of Arts in Sociology

In this context, I would like to extend my sincere gratitude to professor Dr. Binod pokhrel Central Department of Sociology, TU, Kirtipur for guiding and supervising my study and has been a constant source of support and sensible advice during past four years. It would not been possible for me to complete my study without his supervision, advice, patient and direction. He's the funniest advisor. Heartily I would like to thank him for his endless support.

I am very grateful to Prof. Dr. Om Gurung, the head of the department and other respected professors, readers, and lecturers of the department for providing valuable instruction, suggestions, information and comments in the study. Most recently, in 2013, I would like to thank my respected brother Gopal shubhechhh for kindness, support and friendship. Without him it would not have been possible to outline this thesis. preciously I would like to thank him. My sincere thanks go to my parents, and my life partner, who have always supported and encouraged me to complete my study as well as to complete this research.

I would like to thank all the informants from the sampled ministries of Government of Nepal, in absence of whom support, the study will not be completed in time and in this form as well.

Last, but no means list, I must thank my colleagues at Tribhuwan university Nirmal Timsina ,Megraj Sankar,Poornima shrestha ,Rupa Rai for their support and for showing me that the approach
