ACKNOWLEDGEMENTS

This study was aimed at analyzing strength and weakness in the part of the Management Accounting Practices in Nepalese Insurance Companies. It is divided into five chapter viz. Review of Literature, Research & Methodology, Data Presentation and Analysis and Summary, Conclusion & Recommendation.

I can't help expressing my sincere and heartily words of gratitude to my respected supervisor Mr. Khimananda Aryal, MBS programme incharge Mr. Surendra Regmi, who supervised and encouraged me from each and every dimension providing his profound comments and suggestions during this research work. I equally owe Mr. Surendra Regmi, the chairman of the Research Committee, a great deal for his invaluable inspiration and advices.

I am really grateful to the librarians of campus library, Bidharthi Pustak Pasal for their kind help and cooperation in collecting necessary materials for this research. I wish to express my sincere thanks to all the staff members of Nepalese Insurance Companies for helping me to get the insightful information and clarifying the materials.
