ACKNOWLEDGEMENT

This research “The Role of Share Market in Nepalese Economy” has been conducted with the view to know the role of share market (SEBO) of Nepal. This effort is partial fulfillment for the degree of Master of Economics (MA) under the course designed by the Faculty of Economics, T.U.

At the time of preparing this study, I had consulted various personalities. So I would like to extend my sincere thanks to all whose works and ideas helped me in conducting the study. Sincerely, I would like to pay my sincere thanks to Dr. Naryan Jha lectures of the Degree Campus.

Finally, I would like to offer my profound gratitude to my family, especially to my husband Chakra Thapa and his friend Mr. Sunny Raj Shrestha for their encouragement and support during the entire period of my study.

Manmaya Thapa
