ACKNOWLEDGEMENTS

I am heartily thankful and grateful to my supervisor Dr. Rashmi Rajkarnikar of the central department of Tribhuvan University and who thoroughly provided valuable guidance, suggestion and comments by motivating and encouraging me in all stages of the study from the field work to the final complication of the work.

I am equally indebted to Dr. Ram Prasad Gyawali, assistant head of Department of Economics.

My few words of appreciation should also go to the people of study area. Their willingness to share their experiences as well as to provide information required for the study was remarkable.

My gratitude goes to my husband Mr. Bheshraj Upadhayay, for all the faith and support he bestowed to me in the process of completion of this thesis.

I am also grateful to my nephew Kalpana Upadhayay, Kamal and friends for regular inspiration, co operation and encouragement to complete the research work.
