ACKNOWLEDGEMENTS

Firstly, I wish to express my sincere gratitude to Prof. Dr. R.K. Saha, Central Department of Economics, Tribhuvan University of Kirtipur for providing me an opportunity to conduct this study under his guidance on the subject of my interest. I am very much thankful for him due to value able suggestion, encouragement and guidance while supervising my research work. Likewise, I am grateful to the respected Head of the department Dr. Ram Prasad Gyanwaly.

I would like to express my sincere thanks to the respected teachers and the staffs of this department for their suggestions, help and co-operation I am highly indebted to all the respondents and the key informants of the study area for their kind assistance for providing valuable information during the field survey. I am also equally thankful to the staffs of the Birpur VDC, DDC of Kapilvastu for providing me the information for my research work.

I would also like to be grateful to my parents Mr. Humanath Bhandari, Late mother Tara Bhandari, brother and sisters and all my family members for their support, encouragement and affection since my childhood and made me possible for this accomplishment.

Last but not the least, I would like to express my hearty full thanks to my sister Ruknini Bhandari who supported me in each and every step during my study period for the beginning to end.
