ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to Associate Prof Resham Bahadur Thapa, Lecture of Central Department of Economics, who accepted the proposal and gave me opportunity to write this thesis. I am thankful to all my honourable professors and Lecturers of Central Department of Economics for their support.

I am grateful to my Supervisor Dr. Uma Shankar Prasad, Associate Professor of Central Department of Economics, Providing me an opportunity to conduct this study under his supervision. I also never forget his kind guidance, inspirations and supervision during the preparation of this thesis.

I am deeply indebted to my parents, from whom I learned all the moral values, for their sacrifice and support who enable to write this thesis. Similarly, my sincere and genial thanks go to especially all concerned hotels and lodges owner, manager, staff, and local people of the Gosainkunda area for providing me information for the completion of this study. I am grateful to my friend who helped me in various ways for the completion of this research work.

Last but not the least, I would like to express my heartfelt thanks to all of those who supported and help me to complete this study.
