ACKNOWLEDGEMENTS

This thesis entitled **UTILIZATION OF REMITTANCE ON CAPITAL FORMATION** (A Case study of Baglung Municipality) has been prepared in the partial fulfillment of the requirements for Master's Degree in Economics.

I am pleased to take this opportunity to express my deep sense of appreciation to my thesis supervisor prof. Dr. Sohan Kumar Karna, at the Central Department of Economics, University Campus, Kirtipur, T.U. for his most guidance, encouragement and constructive, suggestions throughout my work. Similarly, I am grateful to Dr. Ram Prasad Gyanwaly, Head of the Central Department of Economics for his invaluable suggestions and guidance. I also feel privileged to express my gratitude to all the teachers of Central Department of Economics for their gracious response to my queries.

I would like to thank all the non-teaching staff members of Central Department of Economics and all the staff members of Central library T.U Kirtipur, for the help they extended to me during this thesis in several ways.

I am equally indebted to Mr. Suraj Sedhai and Pingal Raj Pant who helped me in data collections. Thanks are also due to all respondents and their families who provided necessary information by answering all my questions in the interview.

I gratefully acknowledge my deep indebtedness to my affectionate sister, brother and my husband for their kind cooperation and suggestion which proves to be a great value when the matter for accomplishment of this work arises.

Last but not the least, I would like to thank my parents for their continuous supports and help.

GANGA PANT
