## Acknowledgement

I would like to give my sincere gratitude to Associate Prof. Dr. Puspa Raj Sharma, the research guide and the head of the research committee Prithvi Narayan Campus MBS Program for his kind support and encouragement to write this dissertation according to the format of Tribhuvan University.

I would like to remember all the lecturers, readers and professors of MBS program for their direct and indirect prop up to write the dissertation. I would also like to remember my friends to give confidence me to complete my work in time. I never fail to remember to Mr. Shobha Kanta Sharma, Lecturer, Siddhartha Multiple Campus and English Language Teacher, Siddhartha Higher Secondary School, Phedikhola, Syangja for his proof reading and apt instruction to complete the dissertation.

On the occasion I want to remember my whole family for their financial and non-financial support to complete my cram. I would also like to remember the whole campus family. I don't like to forget SFACL and all the staff for their help and all the respondents who helped me by providing the correct information in time according to my dissertation. I am very much indebted to and would like to extol all the authors whose works have been consulted, quoted during the preparation of this dissertation.

Similarly, I would like to keep in mind my life partner Mrs. Bimala Dhakal to provide me the chance to complete my exertion even if her busyness. I don't like to forget Sister Parbati Sharma to her great contribution for the grounding of this dissertation with gorgeous typesetting. At last, I want to provide me immense earnest to all for their unswerving and tortuous shore up. Thanks.
