## ACKNOWLEDGEMENT

I am pleased to present this thesis entitled, **Television Advertising and its Impact on Consumer Behaviour In Chitwan (With Reference to Clinic Plus Shampoo)** in partial fulfillment of the requirement for the degree of master's in Business Studies (MBS). I am thankful to Birendra Multiple Campus for providing me such an opportunity to experience the practical knowledge in my subject.

I am indebted to numerous individuals and organizations whose support and assistance made this study possible. I am primarily indebted to my thesis supervisor Lecture Baikuntha Bhusal , Head of Department of Management, Birendra Multiple Campus for his incisive guidance and efficient supervision in carrying out this study. This work would not have been materialized in this form without his continuous encouragement, patient guidance and valuable suggestions and comments at every stage of this work.

I would like to express my thanks to all the respondents who, despite their busy schedules have directly helped me by filling up the questionnaire. My sincere thanks also goes to Mr. Rudra Adhikari , Teacher of Sun – Rise English school for correcting grammatical mistakes. I am very much grateful to my wife for her encouragement and support during the preparation of this thesis.

Needless to say, the error is of human kind and I am also not exception. So, I am solely responsible for any deficiencies that may have remained in this work.
