ACKNOWLEDGEMENT

First of all, I would like to express my profound gratitude to Associate Prof. Ganesh Pradad Khanal, the Associate Professor of Tribhuvan Multiple Campus, the research guide, helped me extremely by providing his valuable time for all sorts of ideas, techniques and information necessary for carrying out this research work from the very beginning to the end and enabled me to present his thesis in this form. His enthusiasm, patience, kindness and generosity are ever memorable.

I would also like to express my sincere gratitude to Mr.Yubaraj Paudyal, the Acting Campus Chief, Tribhuvan Multiple Campus, Dr. Karna Bahadur Baniya, the Associate Professor of Tribhuvan Multiple Campus and all my respected teachers for their valuable suggestions and advices, and direct and indirect help in carrying out this research work successfully.

I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and valuable materials for enrichment of my research paper in all possible way.

Let me offer my heartfelt thanks to my parents and life partner Gita for their continuous support, without which this work would have been impossible.

I would like to express hearty thanks to the staffs of Library Tribhuvan Multiple Campus, staffs of Library Shanker Dev Campus, staffs of Central Library of TU and staffs of Library of Nepal Telecom for their kind cooperation during my visit of study. Also I am very much thankful to my friends Hari Timalsena, Govinda Pandey, Uttam Kumar Bhusal, Deepak Pandey and Dhanpati Gaire for their help in completion of my research work and to all my colleagues who provided their help directly or indirectly in my study.

Despite my utmost care and efforts, I bear the full responsibility for any errors and discrepancies that might have occurred in this study report.
