ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my thesis supervisor Prof. Dr. R.K

Shah of Central Department of Economics, T.U. Kirtipur. It would not be possible for

me to complete my study without his supervision, co-operation suggestion,

inspiration, and direction. The present form of study is possible due to his rigorous

efforts and direction, and with his brilliant skill of supervision made this study enrich

higher than my expectation. I would like to express my sincere gratitude to external

supervisor Prof. Dr. Sohan Kumar Karna for providing valuable suggestions and

comments.

I am very grateful to Prof. Dr. Ram Prasad Gyanwaly Head of the Department of

Economics, T.U., Kirtipur and all other respected teachers for providing valuable

suggestions, information, and comments.

My sincere thanks go to all my family members who have always financially

supported and encouraged me to study directly and indirectly.

I would like to extend my thanks to my friends Mr. Siddha Raj Bhatta, Mr. Mukunda

Gautam, Mr. Durga Datta Adhikari, Mr. Shivalal Gautam, Mr. Mekh Raj Bhatt and

other persons who helped me directly and indirectly in this work.

Madhav Gautam
