

**PERFORMANCE APPRAISAL OF
SUGAR INDUSTRY OF
NEPAL**

**BY
RADHE SHYAM RATHI**

**A Thesis
Submitted to the
Faculty of Management
Tribhuvan University
For the Degree of
Doctor of Philosophy**

April, 2014

Tribhuvan University
Faculty of Management
Kirtipur, Kathmandu

Recommendation of the Supervisor

This is to certify that the thesis entitled “**Performance Appraisal of sugar industry of Nepal**” submitted by Mr Radhe Shyam Rathi to the Faculty of management, Tribhuvan University, for the award of the Degree of Doctor of Philosophy is a record of bonafide research work carried out by him under my guidance and supervision.

To the best of my knowledge, this original work has not been submitted to any other institution or university for the award of any degree or diploma.

I, therefore, recommend that this thesis be considered for the award of the Degree of Doctor of Philosophy.

Madhav Raj Koirala, PhD
Professor of Management
Tribhuvan University
Kathmandu, Nepal

VIVA-VOCE SHEET

We have conducted the vive-voce examination of the thesis

Submitted by

Radhe Shyam Rathi

Entitled

"Performance Appraisal of Sugar Industry of Nepal"

are found to be original work of the student and written according to the prescribed format. We recommend the thesis to be accepted as the fulfillment of the requirements for the degree of Doctor of Philosophy (Ph.D.) in management.

Radhe Shyam Rathi

ACKNOWLEDGEMENTS

I must first attribute the genesis and accomplishment of this thesis to Professor Madhav Raj Koirala, Ph. D., Faculty of Management (FOM), Tribhuvan University (TU), who not only put the topic in my head but also helped me execute it to draw to a scientific conclusion.

I must acknowledge the kind cooperation extended to me by my teacher Professor Dr. Pushkar Bajracharya, Central Department of Management, Tribhuvan University. He not only grounded enthusiasm but also gave me all the academic support I needed.

I also wish to acknowledge the technical and academic support that I got from the Office of the Dean, Faculty of Management, Tribhuvan University. I am grateful to Prof. Dr. Dev Raj Adhikari, Dean, FOM, T.U. and to my teacher Prof. Dr. Prem Raj Pant and my colleague Prof. Dr. Durganand Chaudhary

It would certainly be a mark of ingratitude not to mention the kind cooperation of Mr. Rabi Manandhar Saymi, and the other staff members of the Office of the Dean, FOM, Tribhuvan University.

I am deeply grateful to the librarians and other staffs of the following libraries for their kind cooperation.

-) Ratan Tata Library, Delhi.
-) Central Library, University of Rajsthan, Jaipur.
-) Central Library, Banaras Hindu University, Varanasi.
-) Central Library, University of Lucknow.
-) Central Library, T.U., Kirtipur.
-) Library of National Productivity and Economic Development Centre, Kathmandu.
-) Regional Library, MMAMCampus, Biratnagar

-) Library of Trade and Export Promotion Centre, Biratnagar and Kathmandu.**
-) Library of Central Statistics Bureau, Kathmandu**

Nor shall I ever forget the kind cooperation of the executives of Indu-Shanker Chini Udyog, Sriram Sugar mills, Everest Sugar and General Industries, Eastern Sugar Mills and Mr. Somnath Adhikari, Executive Secretary, Chamber of Industry, Morang.

I am greatly obliged to the authorities of Tribhuvan University, Kathmandu, for granting me a study leave.

I wish to express my heartfelt gratitude to Mr. Hiranya Prasad Gautam, Reader, Prof. Dr. Yadav Raj Koirala, Dr. Deepak Rijal and Prof. Dr. Madhav Bahadur Shrestha for encouraging and enlightening me in hours of gloom.

I also feel indebted to Prof. Dr. Upendra Kumar Koirala, FOM, T.U. (Ex-campus chief, MMAMC, Biratnagar) and Mr. Gopal Kumar Karki, Reader, FOM, MMAMC, Biratnagar (Ex-campus chief) for helping me pave my way to this conclusion.

I also wish to express my gratefulness to Anil Chaudhary, Reader, Prof. Dr. Uday Raj Regmi, Prof. Dr. Bed Raj Acharya, and all my well-wishing friends of FOM along with the staffs of MMAMC, Biratnagar for their sympathies which strengthened my resolve.

I would never have accomplished this task had I not enjoyed the blessings of my loving mother Late Mrs Krishna Devi Rathi and my uncle Late Lunkaran Rathi.

I shall ever remain indebted to my younger brother, Bimal Rathi for shouldering my responsibilities to provide me the necessary respite to accomplish my task.

Do my sons, Dr. Sanjay Kumar Rathi and Ajay Rathi and my brother Jyoti Rathi, not deserve my indebtedness for providing me the necessary technical support for documenting and compiling this thesis?

Above all, I pledge all my indebtedness to my wife, Mrs. Rupa Devi Rathi, whose tolerance, patience, devotion and understanding infused the kind of enthusiasm and zeal which lead to victorious completion of the study.

April, 2014

Radhe Shyam Rathi

List of Tables

Table	Title	Page
3.1	Status of Established Sugar Mills in Nepal	90
3.2	Sample Respondents	91
4.1	Annual Estimated Demand, Actual Production of Sugar and Percentage of Deficit Supply of Sugar in Nepal during 2000-01 to 2009-10	105
4.2	Contribution of the Selected Sugar Mills in total Annual Sugar Production of Nepal during 2000-01 to 2009-10	107
4.3	Comparative Sugarcane Crushing Capacity Utilization of the selected Sugar Mills of Nepal during 2000-01 to 2007-08	113
4.4	Proportion of Net Value Added Generation to Sales Revenue of the Selected Sugar Mills of Nepal 2000-01 to 2007-08	117
4.5	Comparative Capital Productivity (Based on Net Total Assets) of the Selected Sugar Mills of Nepal 2000-01 to 2007-08	122
4.6	Comparative Capital Productivity (Based on Net Fixed Assets) of the Selected Sugar Mills of Nepal 2000-01 to 2007-08	125
4.7	Comparative Labour Productivity of the Selected Sugar Mills of Nepal 2000-01 to 2007-08	128
4.8	Comparative Total Productivity Ratio of the Selected Sugar Mills of Nepal 2000-01 to 2007-08	131
4.9	Regression of Labour Productivity (Dependent Variable) on Capacity Utilisation and Total Assets Turnover of the Selected Sugar Mills during 2000-01 to 2007-08	134
5.1	Current Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	139
5.2	Quick Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	142
5.3	Proprietary Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	146

5.4	Long Term Debt to Total Capital Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	149
5.5	Debt Equity Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	152
5.6	Interest Coverage Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	155
5.7	Inventory Turnover Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	159
5.8	Receivables Turnover Ratios of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	162
5.9	Current Assets Turnover Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	165
5.10	Fixed Assets Turnover Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	168
5.11	Total Assets Turnover Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	171
5.12	Net Profit Margin Ratio of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	175
5.13	Return on Assets of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	178
5.14	Return on Capital Employed of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	181
5.15	Return on Owner's Equity of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	184
5.16	Regression of Current Ratio (Dependent Variable) on Debt to Total Capital, Total Assets Turnover and Net Profit Margin of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	187
5.17	Regression of Quick Ratio (Dependent Variable) on Debt to Total Capital, Total Assets Turnover and Net Profit Margin of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	190

5.18	Regression of Net Profit Margin Ratio (Dependent Variable) on Current Ratio, Debt to Total Capital and Total Assets Turnover of the Selected Sugar Mills of Nepal during 2000-01 to 2007-08	193
6.1	Contribution of Nepalese Sugar Mills	199
6.2	Meeting Present Demand of Sugar	200
6.3	Reasons Behind Running Sugar Mills in Loss or Low Profit	202
6.4	Factors Attributed to Lower Production of Sugar	204
6.5	Reasons for Running under Capacity Utilization	206
6.6	Corrective Measures to improve the Production of Sugar Mills	208
6.7	suggestions to overcome the Scarcity of Raw Materials	210
6.8	Increasing of Sugarcane Cultivation	212
6.9	Low Domestic Utilization and Sales of Molasses	214
