ABSTRACT

This research entitled "Attitudinal study on the text book English Grade Eight" is an attempt to find out the attitudes of students and teachers towards English Grade Eight which is being piloted in some schools of Jhapa district..To accomplish the objectives of the study, the researcher selected thirty students from a school and ten teachers from government schools of Jhapa district. They were chosen by using judgmental sampling procedure. For collecting data, the researcher used a set of questionnaire including the open-ended and close-ended questions for students and teachers. The questions were related to the textbook with its internal and external aspects. The main finding of the study showed that most respondents were not satisfied with the physical aspects of the book but they were satisfied with the content aspects.

This report consists of five chapters .Chapter one deals about the background of the study, statement of the problem, objectives of the study , significance of the study, delimitations of the study and operational definition of the key terms. Chapter two consists of review of theoretical literature, review of empirical literature, implications of the review for the study and conceptual frame work. Chapter three consists of the design and method of the study, population and sample and sampling strategy, study areas, data collection tools and techniques ,data collection procedures and data analysis and interpretation procedure. Chapter four deals with the analysis of data, interpretation of the results and summary of findings. Chapter five is about the conclusions and recommendations have been made on the basis of the findings of the study. Besides main chapter, the supportive materials such as references, questionnaire, tables, charts etc. are used during the research are presented in the appendices of the thesis.

ACKNOWLEDGEMENTS

Firstly and most importantly, I would like to express my heart-felt gratitude to my respected teacher and thesis supervisor **Mr. Basudev Dahal**, the Teaching Assistant of Department of English, Sukuna Multiple Campus. He gave me valuable inputs, creative suggestion, regular encouragement, ideas and techniques necessary for carrying out this research work. He also provided me useful comments and continuous feedback from the very beginning to the end of this thesis.

Similarly, I owe a debt of profound gratitude to **Mr. Guru Prasad Adhikari**, Head of the Department of English, Sukuna Multiple Campus for his suggestions, encouragement and support for this study. I again express my sincere gratitude to **Dr. Laxmi Bahadur Maharjan**, Professor of the Department of English Education, Tribhuvan University, for his valuable advice and inputs to finalize this thesis.

I would like to extend my sincere gratitude to my respected teachers **Mr. Durgamani Sharma, Mr. Shanker Dewan, Mr. Pramod Niraula**, for their encouragement to carry out this research study.

Furthermore, I am also thankful to all the respondents for responding the research questionnaire despite their busy schedule. Likewise I would like to express my thankful to those authors whose remarkable books and article became sources of information to carry out this research.

Last but not the least, my special thanks go to my friends as well as family members for their regular encouragement, all kinds of support and lovely environment provided to me to complete this thesis. Also my thanks are due to Yagyamani Niraula a technician of Tina Computer center, Khorsane for his help in computer work while preparing this
