Acknowledgement

I would like to extend my profound gratitude to Dr. Beerendra Pandey, for his proper guideline in shaping this research work. This dissertation would not have been possible without the supervision and valuable assistance that he provided. The perspective guidance that he provided while writing is significant.

I am also greatly indebted to Dr. Amar Raj Joshi, Head of the Central Department of English, Tribhuvan University for the encouragement and valuable suggestion. I am also grateful with all my teachers. The final thankfulness goes to my parents, my teachers, friends and all whose direct or indirect contribution I will never forget.
