ACKNOWLEDGEMENT

This is an attempt to present thesis entitled” **Financial Performance of Private Sector Insurance Companies in Nepal: A Case Study of Shikhar Insurance Company Ltd.**” prepared for partial fulfillment of the requirement for the Degree of master of Business Studies (MBS) is an outcome of continuous and immeasurable cooperation and support of several hands. I would like to express my heartfelt gratitude to all for their support.

I wish to extend my deep sense of indebtedness to those respected teachers and my colleagues, who provided me valuable guidelines, insightful comments, encouragement and generous treatment to complete this thesis. This work never has been come out in the present form without their inspiration, valuable suggestions and guidelines. Similarly, I also wish to extend my sincere gratitude to my thesis supervisor **Mr. Rajan Bilas Bajracharya** who guided me a lot during the course of preparation of this report. My academic attempt would not have come in this form without his help, supervision and guidance. I will always remain thankful to him.

I express my heartfelt gratitude to my parents who always inspired me to complete this journey of higher education from the benchmark of my academic qualification that I had. Without their encouragement and inspiration my higher education could not have been fulfilled.

I must not forget to thank my friends and colleagues especially Mr. Bejay Kumar Rai, without their cordial cooperation, this work would have been very difficult for me. Similarly, I will thank all the co-workers, seniors and sub-ordinates of Shikhar Insurance Company Ltd. who always encouraged me to complete this work.

Thank you,

Alisha Shrestha

Researcher
