## ACKNOWLEDGEMENT

This thesis entitled “Factors Affecting the Investment of Commercial Banks in Nepal” has been prepared for the partial fulfillment of the requirement of the Degree of Master of Business Studies (MBS). It would have been almost impossible to complete this without co-operation and help from different persons.

At first, I would like to express my sincere gratitude to respected Supervisor **Dr. Bishnu Prasad Bhattarai**, Lecturer, Patan Multiple Campus for his precious guidelines, inspiration and suggestion thoroughly during the period of research. Without his valuable insight, I would not think of accomplishment of this thesis paper.

I would like to express thanks to all the library and administrative staffs of Patan Multiple Campus for the necessary help in the preparation of this thesis. I must not forget to thank my friends and colleagues for the regular inspiration and support.

I would like to extend my heart-felt gratitude to my family members. They always inspired me to complete my higher study and provided all the necessary logistic supports.

Lastly, I want to take all the responsibility and welcome the comments from you all.
