## **ACKNOWLEDGMENTS**

It is my great opportunity to complete this thesis under the supervision of Dr. Yogesh Ranjit, Associate Professor, Central Department of Economics, Kirtipur, Tribhuvan University for generous support of my entire research work. This form of research is the outcome of his continuous suggestion and valuable comments. I consider myself fortunate enough to have an opportunity to express any sincerest gratitude to him.

I am grateful to Prof. Dr. Ram Prasad Gyanwaly, Head of Central Department of Economics, Tribhuvan University, Likewise, I am grateful to my all faculty members of Central Department of Economics who have helped me directly or indirectly in the course of writing thesis.

I am also thankful to the all staff of Damak municipality for providing me all required data and information related to the study.

I would like to dedicate this thesis to my respected father Mr Hari Prasad Kafle, respected mother Puspa Maya Kafle and my lovely brother Mr Bipin Kafle for their continuous help and encouragement. Without their supports I would never have reached this academic level.
