ACKNOWLEDGEMENT

This thesis has been prepared for the partial fulfillment of requirement of the Degree of Master of Business Studies (M.B.S.). I express my sincere gratitude to all the authors and learned personalities, whose writings have been cited in this study.

I would like to express my enormous gratitude to my respected supervisor **Prof. Dr. Dilli Raj Sharma** for his constructive guidance, inspiration and valuable suggestions. Without his valuable insight, I would not think of accomplishment of this thesis. His guidance and help has been a great source of encouragement and inspiration to me.

I acknowledge my profound gratitude to the personnel of NBL, NCC, EBL, and NABIL & NIC ASIA for the cooperation shown and providing necessary data. My next thanks go to all the staffs of NRB who helped me in providing sufficient materials. I want to give thanks to my all respected professors and the staff members of CDM and T.U. Central Library, who provided the reference, inspiration, valuable suggestion and reading materials during the period of research.

I am highly indebted to my parents Mr. Mani Raj Regmi, Mrs. Kamala Regmi, Dr. Resham Raj Regmi and my brother Mr. Ganash Regmi who sacrificed their time and effort for my higher education and also friends and respondents for their valuable help and suggestion and continuously supported and encouraged me in course of preparing this thesis. A million of thanks to you all for advises recommendations and suggestions for me.

Thanks
