ACKNOWLEDGEMENTS

My deepest gratitude goes to my thesis supervisor Prof. R.K Shah for his continued guidance, encouragement, motivation and support at each step of the study. I am grateful to Prof. R.K. Shah, Central Department of Economics, for giving me a great opportunity to conduct this study.

I would like to express my gratefulness to Prof. Kushum Shakya, Ph.D., Head of the Central Department of Economics, who provided me the opportunity to write this thesis.

My veneration goes to all my respected teachers and personnel of CEDECON who conveyed their timely and significant suggestions for this thesis both at formal and informal meetings. I would also like to appreciate to different organizations, institutions and individuals who helped me in this matter.

I would like to express my gratitude and appreciation to my friends and family members for their genuine support to complete this thesis.

Despite my almost care and efforts, I bear the full responsibility for any errors and discrepancies that might have occurred in this study report.

Sundar Prasad Sharma
