ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my thesis supervisor Mukunda Lamsal his co-operations and suggestions made me present this research work to produce in the present form. His brilliant, skillful supervision enriched this study higher than my expectation. This research work would not be possible without his inspiration and co-operation.

Further, yet importantly, sense of respect goes to my father Mr. Shankar Prasad Chalise, mother Mrs. Rita Devi Chalise. My special thanks to my beloved wife Mrs. Amrita Subedi Chalise for her inspirations, support and contributions.

Similarly, other relatives, friends and colleagues are also subjects to special thanks for their inspiration and co-operation in my study. I would also like to thanks all the respondents for their valuable contribution in making my research work fruitful. I would also like to express my heartfelt gratitude to my entire respected teachers in the Central Department of Sociology and all other members of departments. Lastly I would like to thanks all who directly and indirectly provide me inspirations and valuable suggestion during the course of this study.

Jayesh Chalise
